Valda,

I just received word that the City's code enforcement officer, who is the City's primary witness for the Sesko hearing, is unavailable on January 28, 2007 as she will be testifying all day at several code enforcement proceedings before the City's hearing examiner. This appears to be the only conflict for the City and its witnesses for the week of January 28 and the week of February 4. I would appreciate your not scheduling our hearing on January 28.

Thank you.

-Mark
